

Please enter the name of the class: Chem
Please enter the class number: 123
Please enter the classroom: 321
What semester is the class? Fal
Please enter the number of credits for the class: 3
Please enter the subject for the class: Science

Class: Chem Number: 123 Semester: Fal
Credits: 3
Subject: Science

Please enter a new class name: Histroy
The class name is Histroy
Please enter a new class number: 234
The class number is 234
Please enter the new class room: 432
The class room is 432
Please enter the new semester: Fall 2
The semester is Fall 2
Please enter the new class subject: History
The subject is History
Please enter something to overwrite the list: Write me
The list is ['W', 'r', 'i', 't', 'e', ' ', 'm', 'e']

Class: Histroy Number: 234 Semester: Fall 2
Credits: 3
Subject: History

How many classes do you have? 3
Please enter the name for class 1: Programming
Please enter the class number: 345
Please enter the classroom: 543
Please enter the semester: Spring
Please enter the amount of credits for the course: 3
Please enter the subject: CSCI
Please enter the name for class 2: History
Please enter the class number: 456
Please enter the classroom: 654
Please enter the semester: Fall
Please enter the amount of credits for the course: 4
Please enter the subject: History
Please enter the name for class 3: English
Please enter the class number: 101
Please enter the classroom: 678
Please enter the semester: 876
Please enter the amount of credits for the course: 2
Please enter the subject: English

Class 1 is
Class: Programming Number: 345 Semester: Spring
Credits: 3
Subject: CSCI

Class 2 is
Class: History Number: 456 Semester: Fall
Credits: 4
Subject: History

Class 3 is
Class: English Number: 101 Semester: 876
Credits: 2
Subject: English
